

# DEVOTEAM IS BMC'S 2011 TOP ELITE PARTNER FOR EMEA

Paris, 06 May 2011

Group ESM\* Business Practice Director Jean-Marc Chevereau and Group ESM Business Practice Sales and Marketing Director Ken Hastings recently attended the BMC Software Elite partners meeting with all major BMC partners from around the world where it was announced that, for the second consecutive year, Devoteam was recognised by BMC as the 2011 Top Elite Partner for EMEA.

Separately, BMC has also announced that Devoteam is one of the Top Four Enterprise Systems Management (ESM) partners for the Financial Year 2010.

At the awards ceremony in April, BMC commented: "Devoteam Group is a top European consultancy in network and systems infrastructure. Devoteam supports its clients in the choice and optimisation of innovative solutions in information technology."

The award was based on the number of license transactions for ESM sales segments and total ESM license revenue in the applicable region.

**\*Enterprise Service Management:** Devoteam employs the term ESM, as an extension of ITSM, to convey the greater complexity of projects involving Service Management, System Management and Automation, as these are three major areas in which our customers require assistance.
